

Wolfgang Research Areas of Need

We are currently seeking applicants interested in researching court documents in the following locations. The data you need to research is **NOT** available online. All assignments offered will **require** that you visit your local courthouse(s). We encourage you to apply and request for assignment as many courthouse locations as possible, to which you are comfortable in driving. Just complete the online application ! It's that easy !

Only the counties listed below are available for assignment. If you do not see your desired counties, just keep checking back weekly and watch for your desired counties to be added.
